

ARTFUL THINKING PALETTE

"Using the metaphor of a palette, the program helps students develop their thinking dispositions through the use of a variety of 'thinking routines' that help them think deeply and flexibly about art and other topics." The artful thinking palette is comprised of 6 thinking dispositions – 6 basic colors, or forms, of intellectual behavior – that have dual power: They are powerful ways of exploring works of art, and powerful ways of exploring subjects across the school curriculum. The Artful Thinking palette comes alive through the use of "thinking routines." Each thinking disposition has several thinking routines connected to it.
